The thunderbolt is designed to dig up survey markers in the pavement *faster, easier and safer.*

## THUNDERBOLT

- Drive rebar
- Drive stakes
- Stake starter
- Dig up pavement
- Other accessories

	Part #	Description	List Price	Wt.
	4410300	Power Bar assembly Includes Power bar, adaptor & 2" chisel	\$249.00	18.5
	4410310	Power bar (only)	\$150.00	14
	4410331	Chisel Adaptor (for Chisels and Bull Point)	\$66.00	3
	4410345	2" Chisel (for digging up pavement)	\$33.00	1.5
	4410349	1" Chisel (for digging up pavement)	\$24.00	1.5
	4410348	Bull Point Chisel (for driving into rocks)	\$25.00	1.5
	4410332	2 x 2 Stake Driver	\$42.00	3
	4410319	Rebar Driver (up to 1 3/4")	\$35.00	1.5
	4410320	Stake Starter (1/2" x 1 1/2" x 18")	\$49.00	2
	4410315	Trencher	\$48.00	4

## RED TOP Product Line

**MAN HOLE COVER PICK** List \$22.00  
This manhole cover pick is made of 5/8 hex high grade tool steel and is approximately 32" in length with a hardened steel diamond point or is available in a hardened steel flat head tip.  
Part # Description 4 lbs.  
4432DP with diamond point  
4432FH with flat head tip

**FROST PIN** List Price \$20.00  
This Frost Pin is made of 1" diameter high grade tool steel with a 1 3/4" button top and a hardened diamond point tip.  
Part # Description 4 lbs.  
4418RT with diamond point

**GAD** List Price \$26.00  
This Gad is 3/4" x 1 1/2" x 18" made of high grade tool steel with a hardened steel tip.  
Part # Description 4 lbs.  
4418GD

Note: Frost Pin and Gad are *not intended* for solid rock.

## MAG NAIL

ChrisNik's superior hardened MAG NAILS are rapidly becoming the preferred nail among surveyors worldwide. Benefits include: more durable, a larger center point, and an induced magnetic field that has doubled and even quadrupled the detectability over any nail on the market today. The MAG NAIL has also been coated with a zinc and clear chromate to resist corrosion.

Part #	Size	# in box	Wt./box	List Price
24750	3/4" x 1/8"	100	.50 lbs.	\$4.95
241000	1" x 5/32"	100	.92 lbs.	\$7.95
241250	1 1/4" x 3/16"	100	1.5 lbs.	\$10.95
241500	1 1/2" x 1/4"	100	2.75 lbs.	\$14.95
242000	2" x 1/4"	100	3.42 lbs.	\$17.95
242500	2 1/2" x 1/4"	100	4.0 lbs.	\$21.95

# Now available at your local dealer!

## BENCHTIE

### The Vertical Surface Control Point

The Benchties are available in yellow and urban brown.

List Price \$2.95 each

The BENCHTIE will save time and money by allowing all benchmarks and ties to be plotted or worksheets for easy reference. The BENCHTIE is designed to be used with the information tag. Once the BENCHTIE is set and located, information can be recorded on the tag with a permanent marker. This will enable the surveyor to leave a benchmark that is easily identifies and used by others.

## SURVEY CREW SIGN

Part #	Description	List
40-36SVFLO	36"x36" solid vinyl sign with base 37 lbs.	\$129.95
40-48SVFLO	48"x48" solid vinyl sign with base 40 lbs.	\$165.00

## STAKE TACKS

Part #	Description	List
25456855	1 lb. Box stake tacks	\$7.25
2545644	5 lb. Box stake tacks	\$32.50

## TRUE PLUMB

The True Plumb is an easy and accurate way to test and adjust your rod in seconds.

Part# 16TPL1000

List price \$189.99  
13 lbs (oversize)

Part# 16TPL2000  
List Price \$199.00

For GPS fixed height rods with adapter rod

## TAC BALL

Part # 26218 (pictured)  
List Price \$7.50  
3 oz. each

Economy Tack Ball with a leather strap  
Part # 26300E  
List Price \$6.50

## RAILROAD SPIKES

Part #	Description	List Price
325035	3 1/2" R.R. Spike 50 lb box	\$206.59
3210035	3 1/2" R.R. Spike 100 lb. Keg	\$414.64
32506	6" R.R. Spike 50 lb. Box	\$58.80
321006	6" R.R. Spike 100 lb. Keg	\$117.60

## MACHETE AND SHEATH

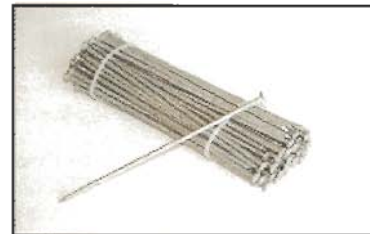

Part #	Description	List Price
442P-MA22	22" Machete Black poly handle	\$14.00
44MA22SHEATH	Top quality all leather sheath.	\$19.75

Both are 1 lb. each

## Hammerless Hub

8" X 3/16" (for easy soil penetration), carbon steel (for rigidity and easy metal detection), galvanized, with dimpled and cross-scored head.

100 per bundle  
6 lbs.  
List Price \$24.00

## Wood Hammers

Part#	Description	List Price
44EN21/2	2 1/2 lb. Eng.	\$12.53
44EN4	4 lb. Eng.	\$16.03
44OS6	6 lb. Sledge	\$17.15
44OS8	8 lb. Sledge	\$19.56

## Fiberglass Hammers

Part #	Description	List Price
44FGEN4	4 lb. Fbgl.	\$20.22
44FGOS6	6 lb. Sledge	\$27.80

# MAG NAIL

*Pound it  
Harder,  
Find it  
Farther.*

## Benefits of MAG NAIL

- Increased toughness has virtually eliminated breakage.
- An induced magnetic field that has doubled and quadrupled **MAG NAIL**'s detection with a metal locator
- Revolutionary new metal formula retains magnetism
- Larger center point

## Technical Information

■ Most surveying locators are basically a magnetometer. Metal locators that are passed over ferromagnetic objects like iron rebar, railroad spikes or surveyor nails, pick up on the residual magnetic field left in most metals. **MAG NAIL** was developed with a revolutionary new metal formula that retains magnetism. By inducing a magnetic field into **MAG NAIL** the detectability with a metal locator has doubled to quadrupled any nail on the market today, depending on the type of surface the nail is being driven into.

In addition to the larger center point, durability was incorporated into the **MAG NAIL**. If **MAG NAIL** drifts off a little you can straighten it back up without worry of it breaking off. Available in 3/4", 1", 1 1/4", 1 1/2", 2", and 2 1/2" sizes.

**MAG NAIL** is available at finer surveying dealers across the country or for the dealer nearest you contact:
